

Financial Services Guide

This Financial Services Guide (FSG) describes our financial planning and advisory services to assist you to decide whether to use our services. It describes how we are remunerated, our professional indemnity insurance and how we handle any complaints you may have.

We may give you other documents when providing our services. These may include:

Statements of Advice - If we provide you with advice about your personal circumstances, we will set out our advice in a Statement of Advice or, in some cases, a shorter document called a Record of Advice (ROA). This will also tell you how we will be remunerated for the advice we give you. When we provide further advice to you, we may not give you a Statement of Advice (SOA), however we will record the advice and you can ask us for a copy of the advice by calling us.

Product Disclosure Statements - If we recommend that you acquire a financial product, we will also provide you with a Product Disclosure Statement containing information about the product's features and risks.

How can you deal with us?

You can deal with us in person, by phone, fax or email. It is important that you provide us with complete and accurate information about your circumstances and you take the time to check any assumptions we make and the basis for our advice. If you don't our advice may not be appropriate for your needs.

Naturally, your circumstances may change over time. When this happens, our initial advice and recommendations may no longer be appropriate for you. We can periodically review your financial position, personal circumstances, financial goals and investment strategies to decide whether those strategies and goals and the financial products you hold are appropriate. Or, alternatively, you can contact us for a review when your circumstances change.

How we get paid?

Financial Planning and Investment Services

We and Wealthaven may receive:

- fees paid by clients;
- commissions paid by product providers;
- other payments by product providers; and
- other benefits.

Fees and commissions are payable (as directed by your Authorised Representative) to Wealthaven. We may receive up to 100% of any fees and commissions received.

Details of any fees, commissions or other benefits that we, Wealthaven or other associated persons are entitled to receive if you implement our recommendations in relation to a specific financial product, will be disclosed to you in your SoA or RoA when personal advice is given.

Service fees

We will discuss and agree our fee structure with you before we provide you with services. The types of fees you can be charged are listed below. You may be charged a combination, or part of, any of these fees.

Fees for advice

We may charge fees for the preparation, presentation and implementation of our advice. These fees will be based on your individual circumstances, the complexity involved in your situation and the time it takes to prepare personal financial advice for you. We will discuss these fees with you and gain your agreement to the fees before we provide you with advice.

Ongoing advice fees

We may charge a fee to provide ongoing portfolio reviews and/or for the provision of ongoing services.

This fee will be agreed with you and is either a set amount, or an amount based on the amount of funds under our advice, and/or the time involved in reviewing your portfolio and circumstances.

Payment methods

Our fees are either invoiced to you directly, or deducted from your investments, or a combination of these methods.

Where it is debited from your investments it is normally referred to as the Adviser Service Fee.

In most instances you will be able to select the method of payment that suits you best. We will discuss and agree the method of payment with you before we provide you with services.

Commissions

If you take out a financial product through us, Wealthaven may receive payments in the form of initial commissions and/or ongoing commissions from the financial product providers. These commissions are included in the fees, premiums and interest rate (in the case of margin loans) you pay for the product. This is not an additional cost to you. We may agree to rebate some or all of these.

For investment products, including superannuation and annuities, commissions are generally deducted from the funds you invest. Commissions on investment products may only be payable in certain circumstances where an arrangement exists as at 1 July 2013. Where you acquire an investment product before 1 July 2014, commissions may be payable where Wealthaven has an existing arrangement with the product issuer prior to 1 July 2013.

Ongoing commissions range between **0%** and **4.4% p.a.** (incl. GST) of your investment balance. Wealthaven may pass up to **100%** of these commissions to us.

Life Insurance Services

Initial and ongoing commissions from insurance providers may be received by Wealthhaven. These commissions are paid to Wealthhaven by the company that issues the product that Wealthhaven' Advisers recommend to you and they are included in what you pay for the product. The commissions vary and are based on the policy cost, which is the sum of the premiums you pay and may include other fees related to the product.

The initial commission is paid in the first year by the product issuer to Wealthhaven. Ongoing commissions are payments paid by product issuers to Wealthhaven in the years after the first year. These commissions may be passed onto us.

If you initiate an increase to your cover, Wealthhaven may receive initial and ongoing commissions on the increase to your policy cost. The ongoing commission on a client initiated increase is only paid in respect of the period that starts from the first anniversary of the increase.

If the initial commission is equal to the ongoing commissions (as a percentage of your policy cost), Wealthhaven may receive up to 38.5% (incl. GST) of your annual policy cost. If the initial commission is higher than the ongoing commissions, the maximum commission that Wealthhaven may receive is set out in the table below:

Date of new product issued	Initial Commision**	Ongoing Commision**
Before 1 January 2018	0-140%	0-38.5%
1 January 2019 - 31 December 2019*	0-70%	0-20%
From 1 January 2020*	0-60%	0-20%

* * (% of annual policy cost or increase excl. GST)

*Wealthaven may receive the pre 1 January 2018 commission rates above from the product issuer if:

- your policy was issued before 1 January 2018 and you exercise an option to establish new or additional cover under your policy after 1 January 2018; or
- your policy was issued before 1 January 2018 and is replaced after 1 January 2018 to correct an administrative error.

Example

We recommend an insurance product to you and it is applied for and issued after 1 January 2019. The annual policy cost is \$450. Wealthaven may receive up to \$315 (70% excl. GST) as an initial commission and may pass up to \$315 to us. Assuming the policy cost stays the same each year, Wealthaven may receive up to \$90 pa (20% excl. GST) as an ongoing commission and may pass up to \$90 pa to us.

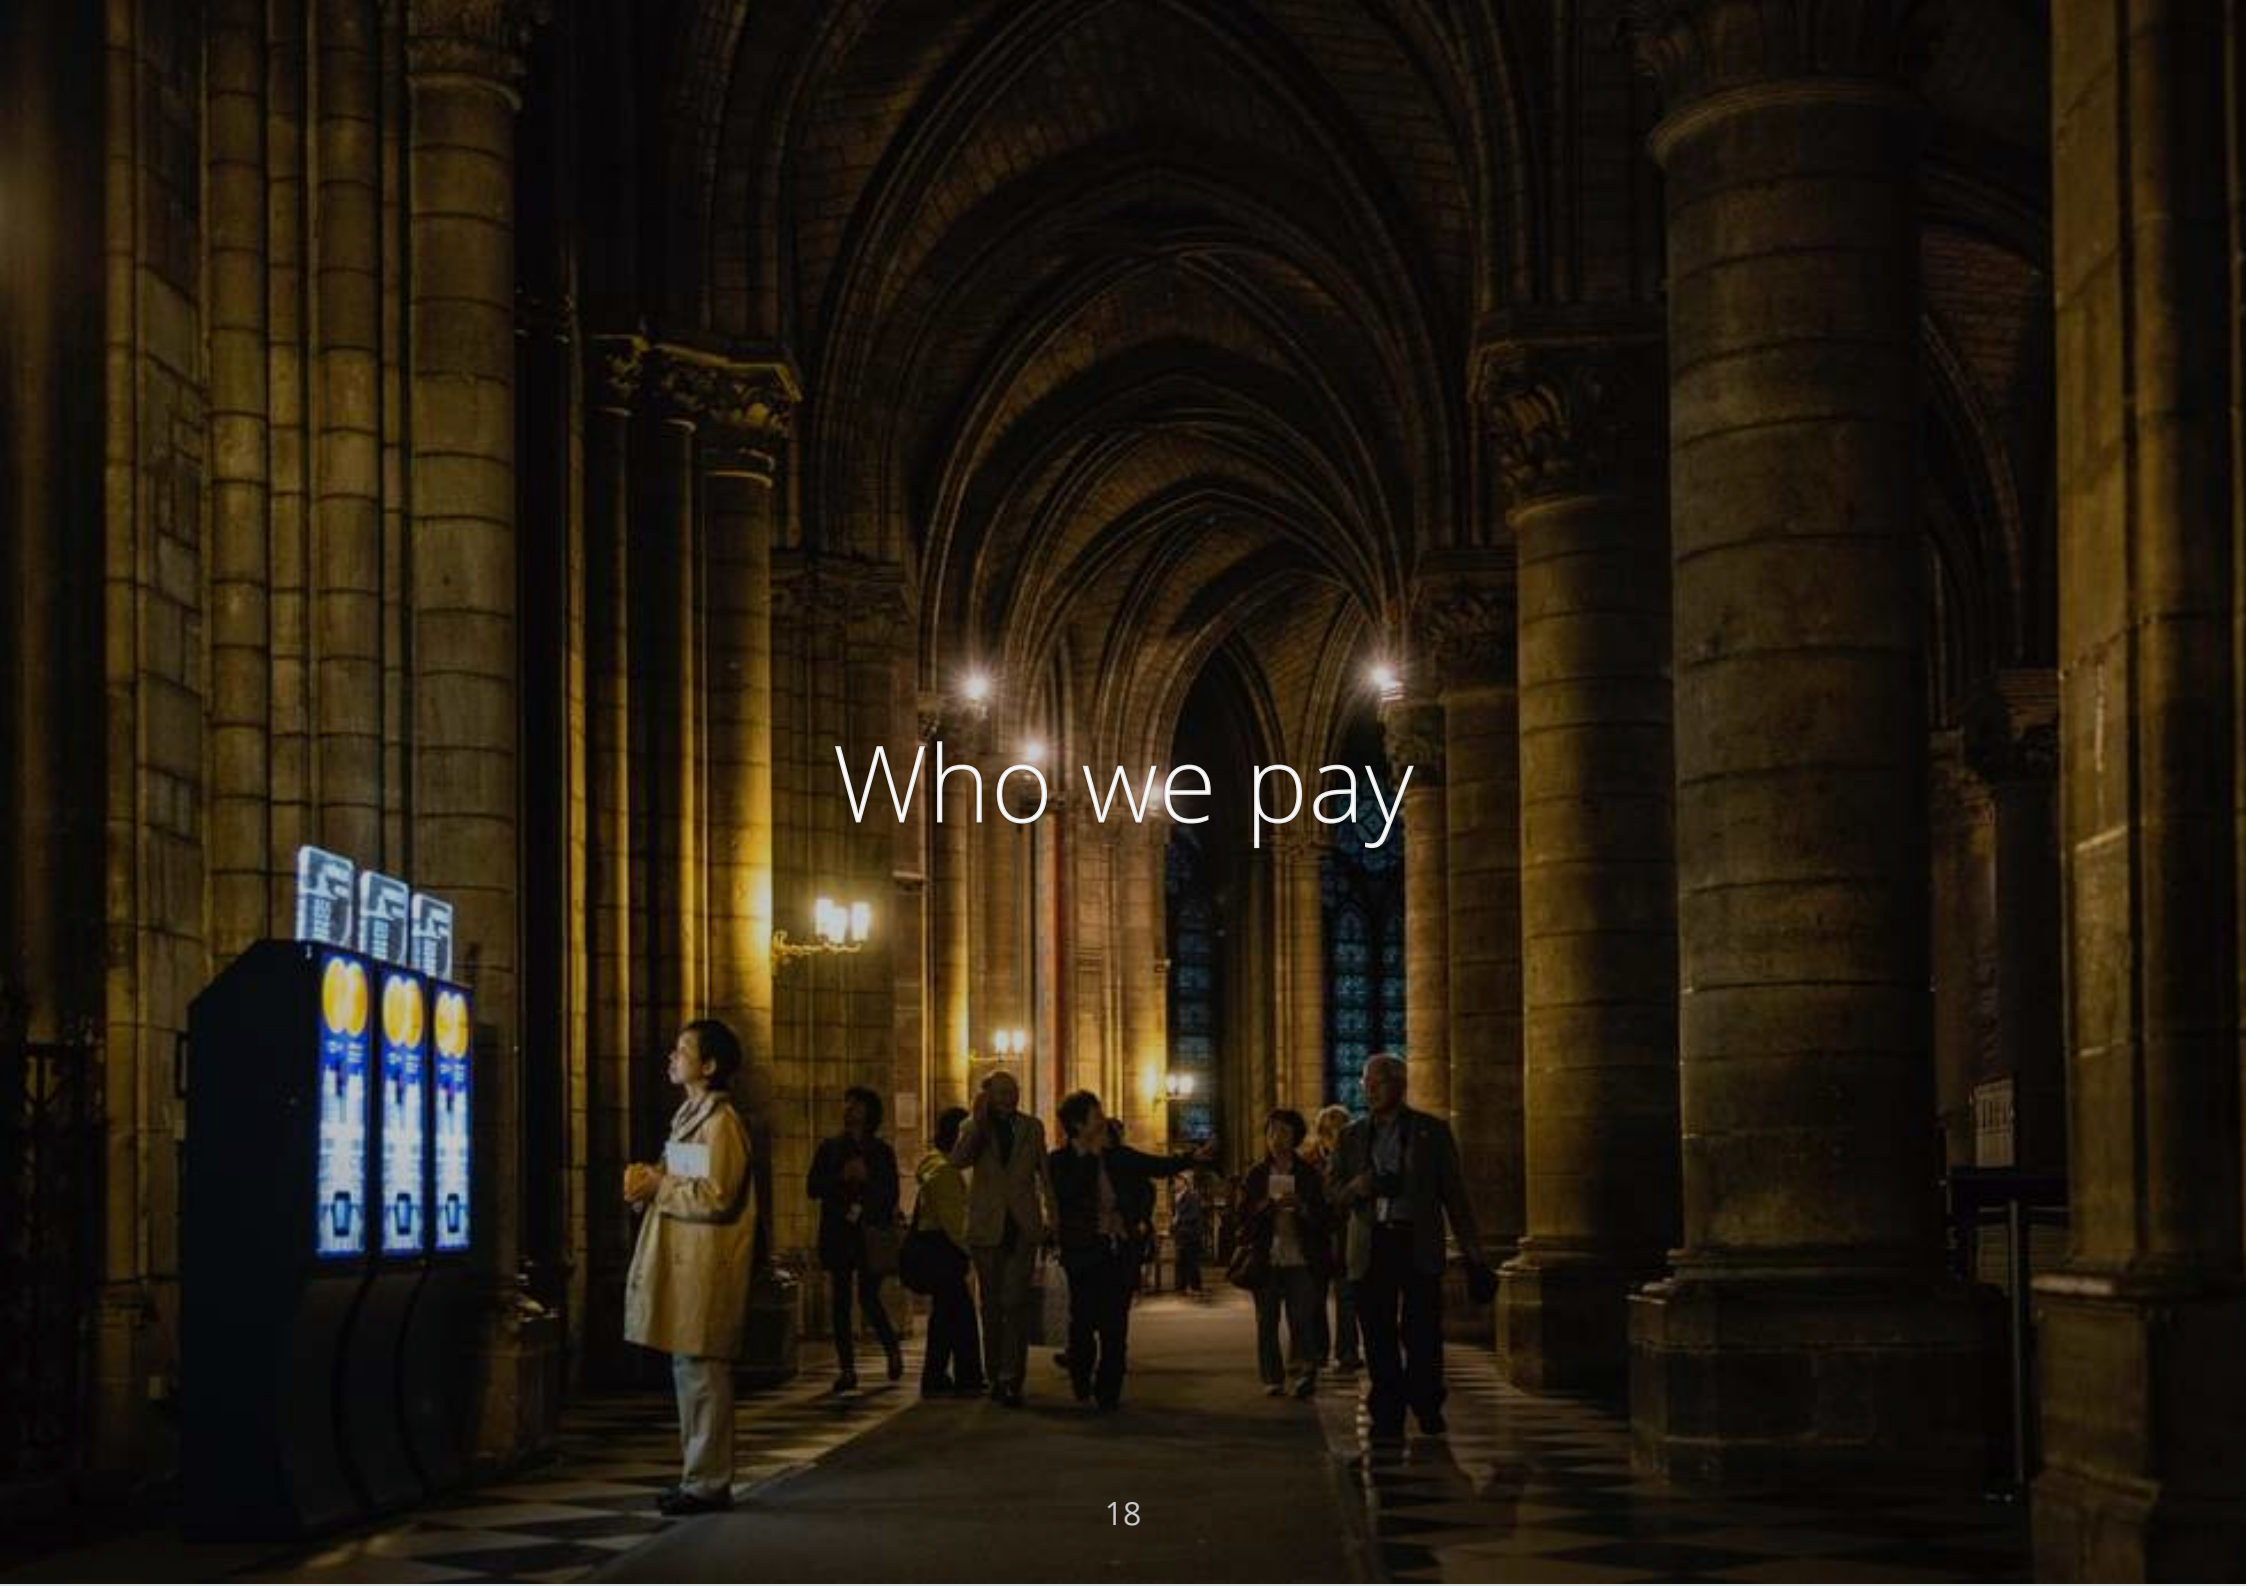

If we recommend you a level premium to you, Wealthaven may receive up to 38.5% (excl. GST). If the annual policy cost is \$450, Wealthaven may receive up to \$173.25 (excl. GST) as an ongoing payment.

Fee for Service

Where we do not charge a commission on an insurance product, we may charge you an insurance service fee of between \$0 - \$4,000 incl. GST per life insured, depending on the type of insurance. This fee is payable in addition to the premium.
